## Summary

Passionate and self-motivated **React Frontend Developer Intern** with a strong foundation in **React.js, JavaScript (ES6+), HTML, and CSS**. Skilled in developing **responsive, interactive, and user-friendly web applications** while ensuring clean and maintainable code. Proficient in **React Hooks, Context API, and Redux for state management**, with a keen interest in optimizing performance and enhancing user experience. Familiar with **component-based architecture, reusable UI components, and modern frontend development practices**. Eager to learn and collaborate in a dynamic team environment.

## Skills

HTML • CSS • Bootstrap • Javascript • React JS • Swift • SQL • Python • Git & GitHub • Leadership • Time management • Team collaboration

## Projects

### Restaurant Website

<https://restaurant-project-silk.vercel.app>

Developed a **dynamic and interactive Restaurant Website** using **React.js and React Router**, enabling users to seamlessly navigate between different sections. Implemented a **food filtering system** that allows users to filter dishes based on categories for an enhanced browsing experience. Integrated **Framer Motion** to create smooth and engaging animations, improving the UI/UX.

### Travel Website

<https://hemant482.github.io/main/index.html>

Developed a **responsive and visually appealing Travel Website** using **HTML, CSS, and JavaScript**, providing comprehensive information about the **best places to visit near Udaipur**. Designed an **intuitive and user-friendly layout** to enhance navigation and readability. Implemented **interactive elements** such as image galleries, hover effects, and smooth scrolling for an engaging user experience.

### Portfolio

<https://hemants-portfolio.vercel.app>

Created a **modern and visually appealing Personal Portfolio Website** using **HTML, CSS, and JavaScript**, showcasing skills, projects, and achievements. Designed a **clean and professional UI** with a **responsive layout**, ensuring seamless accessibility across all devices. Utilized **CSS transitions, JavaScript event handling, and scroll animations** for a dynamic browsing experience.
